Financial Assistance Policy Appendix A

Basis for Calculating Amounts Charged to Patients

For the first year of operation, BHSM Rehabilitation, LLC will utilize the prospective method to determine the “amounts generally billed” (AGB) to individuals who have insurance covering other Medically Necessary Care. The AGB percentage applicable as of 1/1/2025 at our facility is 34%.

The amount was determined using all claims allowed by Medicare (Traditional) having discharge dates from January 1, 2024 through December 31, 2024. Total expected payment from allowed claims was divided by total expected billed charges for such claims.

AGB was calculated using the Medicare fee-for service approach for BHSM Rehabilitation, LLC.
